GPS
-41.28746805 / 173.00617025

The softly rolling Moutere Hills are formed from the weathered gravels of an ancient river system, which originally reached from St Arnaud to the coast. The gravel threaded clay soils are renowned for producing wines of richness and texture. The Pinot Noir is deeply flavoured with fine tannins and elegance. The Chardonnay is complex, multi faceted with excellent structure. Winemakers also produce excellent Sauvignon Blanc, Riesling and more recently Pinot Gris.
